

OUR VISION, MISSION & VALUES

Our vision

To be the leading provider of technology solutions to the social change sector.

Our mission

Working with social change organisations to:

- Deliver appropriate solutions
 - Provide clear and responsive technical support
 - Reduce cost and carbon footprint
 - Build long-term partnerships with our clients.
-

Our values

- Trustworthiness – we strive to earn trust and demonstrate this through our proven track record
- Relationships – we work in partnership with our clients and share their values
- Integrity – we are open and honest, providing fit for purpose solutions, based on our clients needs
- Expertise – our staff are knowledgeable and we invest in them to develop their skills and further their careers.
